ACCESSORI E RICAMBI SCOOTER
MOTOR CYCLES PARTS AND ACCESSORIES

PRODOTTI "MADE IN ITALY"
ALL PRODUCTS "MADE IN ITALY"

L'azienda nasce nel 1960 e si occupa della produzione di serbatoi per moto e ciclomotori. Nel corso degli anni amplia la propria gamma di articoli destinati sia al mercato italiano che al mercato estero, inserendo negli anni '80 marmitte ed accessori per moto e scooter. Successivamente arricchisce la propria produzione con carenature in plastica per veicoli di varie marche e parabrezza di cui al momento ne produce una vasta gamma. Il titolare ha sempre seguito in prima persona la progettazione e la produzione delle varie linee di prodotti avvalendosi della stretta collaborazione di tecnici esperti e qualificati. L'azienda e' sempre stata di proprietà ed è condotta tuttora dalla famiglia Cau.

The company was founded in 1960 and specializes in the production of tanks for motorcycles and mopeds. Through the years it expanded its range of products for both the Italian market to the foreign market, entering in the 80s mufflers and accessories for motorcycles and scooters. Later it extended its production with plastic fairings for vehicles of various makes and windscreen which currently produces a wide range. The owner has always personally followed the design and production of various product lines using the close collaboration of experienced and qualified engineers. The company has always been owned and is still conducted by the family Cau.
